

Rehabilitation Care Coordination

Your Nurse Case Management Partner since 1989

RCC specializes in Long-Term Case Management, Home Assessment and Life Care Planning for those with traumatic brain, spinal cord or orthopedic injuries, oncology/cancer and mental illnesses. We were the first case management company in San Diego, and since then we have served thousands of individuals with ages ranging from infant to the elderly. Our staff has a combined 200 years of nursing experience, all of which are focused on providing you with the best possible management of needs including caregivers, equipment, therapies, specialists, housing resources and benefit management. With over thirty years in business, we are the premier specialist in helping individuals reach their best possible outcome.

RCC can meet your long-term care management throughout Southern California and help them find something to do, something to look forward to, and someone to do it for. We also offer Spanish translation.

Managing care, as partners, towards Independence
